Dear SFMS Community and Friends,

Please consider this donation request for our "No-Frills Fiesta" Auction coming up on February 24, 2018, which is our biggest fundraiser of the year.

Due to the catastrophic flooding in our area during the aftermath of Hurricane Harvey, it is estimated that over 80% of the Spring Forest Middle School population was heavily impacted (close to 700 of our students and some faculty members). For our school, where over 50% of the almost 900 students are on a free/reduced lunch program, the disaster hit us especially hard.

SFMS PTA plays an integral part at this multicultural and economically challenged campus by providing multiple communication outlets, program and supply funding for Fine Arts and Athletics, as well as solicitation and coordination of volunteers for school events, all of which are vital to the overall success of our students. We hope you can help us continue to provide these programs and to help our families rebuild after Harvey.
